**Re: 2007 Morris County Historic Preservation Trust Fund
Glenburn House**

Dear Mayor *Bill* Budesheim,

I am pleased to inform you that the Morris County Board of Chosen Freeholders has approved the funding in the amount of \$142,040 to the Glenburn House project. The Freeholders approved the funding based upon the recommendation of the Morris County Historic Preservation Trust Fund Review Board, which reviewed a total of 32 applications. The Glenburn house, also known as the Van Ness House, was acquired by the Borough of Riverdale with County assistance. It was renovated in the early 20th century in the Empire style. The Trust Fund is assisting with the preparation of a Preservation Plan for the house, outbuildings and site. This grant would stabilize and restore the exterior of the Barn.

Thank you for your interest in our program. I hope your project is a success. If you have any comments or questions, feel free to call Ray Chang of the Morris County Department of Planning, Development and Technology at (973) 829-8120. A formal grant agreement will be forthcoming.

Best Regards,

Margaret
